Location

As I pulled into parking lot at 29 W. 3rd Tiffany & her car were parked east ~~side~~ south side of the lot. As I pull in & park at the North West side of the lot. Dylan pulled into the lot behind me. In his white Jeep Wrangler proceeded to park to the right of <sup>(west)</sup> Tiffany's car. Then Taylor was driving Ezekiel's car & parked to right (west) of Dylan's Jeep. As Dylan was backing up she walked behind his car with no regard to anything. Immediately walked up to Ezekiel's car & proceeded to try & start a fight with Taylor. As she started doing that Ezekiel opened the door & walked into the apartment. She then kept talking & trying to provoke Taylor & others. We all walked inside to try & avoid the situation.
